

Application form for Motorhome & Caravan

Please, complete and return before **Friday September 18** to : anne@roadbook.net

1. Rules

The access to the circuit for any motorhome/caravan will be allowed by reservation only and after payment of 60 euros per motorhome/caravan (all taxes included), regardless of where it will be parked.

For teams located in [F1 Pit Garages](#) : **NO** motorhome/caravan will be allowed into the F1 pit garage area. The space behind the garages is reserved for trucks, technical vans and support vehicles. The Village Motorhome will host all Motorhomes/Caravans throughout the meeting.

For the following series:

For teams located in [Old \(Endurance\) Pit Garages](#) : we encourage you to use the Village Motorhome. However, "small setup" may park behind their garage, respecting the space allocated to each team.

For teams located in [the Other Paddocks](#) : We recommend the Motorhome Village. It is possible, however, to park your motorhome/caravan in your paddock, subject to approval by your promoter.

A **motorhome/caravan pass** will be sent in due time by email to the contact person listed after receipt of the reservation form and the payment of **€60**.

2. Village Motorhome

The Village Motorhome located next to the F1 grandstand and opposite the F1 garages, will host the Motorhomes/Caravans throughout the meeting. The Village Motorhome area will feature toilets, water supply and waste facilities, as well as a limited number of electric hookups (allocated on a first come, first served basis).

3. Information to provide

General information
