

Important Information regarding private/new Vehicles in the Paddock

Dear BELMOT OGP Participants,

This year's OGP is fast approaching, and we would like to draw your attention to changes regarding passenger cars in the paddock.

You may have noticed that the number of modern (non-historic) cars in the paddock has become excessive in recent years.

We therefore aim to reduce the presence of private cars to an absolute minimum—particularly to preserve the historic atmosphere and the visual appeal that you, too, value so highly.

Furthermore, for the smooth operation and safety of an event as large as the Belmot OGP, it is crucial that private cars remain in the parking areas outside the Nürburgring (NBR). You should park your car in lot D5, right next to Gate 37/ Hatzenbachstrasse entrance. The cost for the parking pass (valid for the entire weekend) is €39 (>>> must be booked as an EXTRA; see form on page 2; payment is made at the Welcome Center upon arrival).

We are pleased to announce that, starting in 2026, we will offer shuttle buses for your free use. These buses will transport you from lot D5 to the paddock.

The shuttle service can be reached at the following number:

+49 - 151 - 170 216 73

Vehicles parked in unauthorized areas will be towed at the owner's expense!

Of course, classic cars are ALWAYS welcome in the paddock! If you are arriving in a historic vehicle, please indicate this using the attached "EXTRAS" form, as you will need an entry pass for this as well (free of charge – IMPORTANT: Limit of ONE classic car entry pass per team)!

ONLY VEHICLES WITH "H-PLATES" (OFFICIAL HISTORIC VEHICLE REGISTRATION) ARE PERMITTED IN THE PADDOCK!
